Oh, wasn't there something like if you make your car light flash on and off six it meant "I love you"?

Shut up!

Well, just to clarify, you're from a different generation.

So don't brand me an old man.

Anyways, we're not too far apart in age.

Well, I remember seeing it around the time I was a kid.

Huh? What was that? You're pulling my leg.

You think so? I think I'm quite fond of it.

It was
super!

It's not women's clothing. It's men's lingerie. You don't have a sliver of delicacy & yet, what's with this talk of romance?

Shibuya.

What?

Shibuya, you have a habit of wearing women's clothing to the point of ridiculous obstinacy.

At great pains, I've attempted various ways to get you to go out with me, yet there's not so much as a bad-dump.

Do you want romance? Yeah, it must be romance.

Well, if I must dream, why not have them be vulgar, huh?

Honda-san, you tend to have dreams that are disproportionately vulgar.

Hey look!! One way or another, you also like me, don't you? Even though you called me an old man.

Idiot! Dummy!

!!
Huh,
do not
like
you.

END

Honda-san is an annoying asshole.

Yes!

Hop Hop

clench

Yeah, yeah, you're right...

Right!

I realized it again.
